## Report Providence Home Visit

As a part of our lamp lighting ceremony and **Sick day** Celebration on December 16 th 2022, first semester BSc nursing students along with Principal, Vice principals and faculty visited providence home Marathakkara.

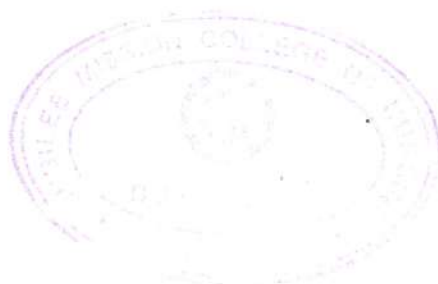

The incharge and mother superior of the institution Sr. Daisy Alappatt explained about the administration functioning and about the place and kinds of people residing there in Providence home. The inmates of the peace home were physically disabled persons. It was really a different experience of seeing those people and interacting with them, we all students felt really happy to provide care and communicate with them. We made the inmates too happy talking to us, singing and by care. There were 20 terminally ill patients. Students performed some cultural programmes too.

The atmosphere of the institution is really peaceful and calm. There are lots of trees and plants which provides us a quiet environment. And from there we take a break and had our lunch in that environment.

We have collected money as part of charity and handed over to the incharge of the institution. Along with this SNA contributed "**kit for the Poor**" also.

- 1 Semester students- Rs5300/-
- Faculty-Rs8000/-
- SNA-Rs 1600/-

The day was a real success and it made us to realise that how blessed and gifted we are and for that we should always thankful to God. It was a great day because we were able to implement the values to the needy.
