REPORT ON YIP ACTIVITIES AT JMCON (IDEATHON 2023)

Organizer details : KDISC
 Department : community health nursing department
 Participants' details : all batch of students
 No. of students : 200 students
 Name of the reporter : Mrs. Seeja Jacob, Mrs. Deepa Davis and Mrs. Merin Davis

Report : As a part of college innovation activities community health nursing department in collaboration with YIP (K-DISC) arranged a idea generation program. Around 22 ideas send in YIP portal. 10 teachers were worked as supporters (mentors) for generating the ideas. A group of 5 members and one mentor were registered for that. Students uploaded the idea in YIP portal as a first step. Mentor gets mail from YIP after the submission of student's idea, after that mentor should approve the idea with remarks. Finally the institution head will approve each idea. Now the selection processes are going on.

JUBILEE CENTRE FOR MEDICAL RESEARCH

Jubilee Research Day

20th May 2023 Saturday @ New CCM Hall

It has been proposed that May 20th be designated as Research Day within the Jubilee institutions. This shall be a distinctive opportunity for Jubileans to convene on a unified platform to exchange and showcase their research achievements, as well as to become acquainted with similar activities taking place within our Jubilee family. This event shall be a recurring feature in the years to come, and shall encompass a variety of activities including oral and poster presentations of research papers, inspiring discussions, as well as opportunities for recognition and awards. Furthermore, this occasion shall serve as an ideal platform for presenting and promoting your research ideas, releasing books and newsletters.

Highlights of the programme.

Research paper – oral and poster presentation under six categories:

- | | |
|--|---|
| 1 MBBS students | 2 PG interns (MD/MS/DM) |
| 3 Nursing Students (both UG & PG) | 4 Faculty from Jubilee institutions |
| 5 Research Scholars- fulltime, all disciplines | 6 Research Scholars- part-time, all disciplines |

Extended research abstracts are invited from the Jubileans of the above categories. The abstract must be the original work of the author/s and plagiarism should be <10%. The study has to be within the scope of healthcare and allied subjects. The submitted abstracts will be evaluated by the scientific committee and if selected will categorize into oral presentation / poster presentation. This will be communicated to the authors in the announced time schedule. Best oral and poster paper from each category (if more than 3 entries) will be given prizes.

Extended Structured Abstract Specification

- Word limit: 500; File format: Word format only. Font: Times New Roman, Title 14 pt; Text 12 pt.
- The abstract must include the Title, Author's name, and affiliation (department, institution).
- Title of the Abstract: must be informative, in capital letters, and less than 20 words.
- Text must be structures into Aim and Objectives, Methodology, Results and Conclusion.

Submission Guidelines

The extended abstracts as per specifications must be submitted at researchdayjcmr@gmail.com on or before 2nd May. Mention the category. The selection of the abstracts will be notified through email on 10th May. Summary of the papers will be published in a proceeding with ISBN.

Presentation Specification

1. For paper presentation
Time: 7 minutes + 2 minutes for discussion. Presentation format should be MS PowerPoint Presentation (PPT) 2010 or above. The font size and style should be readable. The presentation should contain all the headings in the abstract. Maximum number of slides: 8
2. For poster presentation
The participants presenting the poster must be present at the allotted time and place. The font size and style should be readable. The poster should contain all the headings as in the abstract. Space 3 x 4 ft

Important dates: Submission of abstracts: 2nd May Acceptance: 10th May Presentation: 20th May

Attractive prizes are waiting for you. Registration is free.

Requests to release books, newsletters other research activities in the venue are welcome

Scientifically yours

REPORT ON NURSING RESEARCH DEBATE ON “FOR AND AGAINST RESEARCH”

Nursing research debate was conducted on the topic **FOR AND AGAINST NURSING RESEARCH** on 01/03/23 at IIIrd year BSc. Nursing classroom at 10.30am – 12.30 pm. The programme started by a prayer. Miss Anett K. L welcomed the session. Followed by that debate competition started. The group is divided in to 2 groups (25 Students in each group) and seated comfortably for face to face interaction. Mrs. Deepa Davis T, Lecturer gave instruction regarding the way of conducting the debate. Sr. Philo Resmi, Vice principal moderated the debate. Mrs. Deepa, maintained the score board. Both group were participated actively through out the session. This helps the students learn through friendly competition, examine controversial topics and strengthen skills in the area of leadership. Mrs. Deepa concluded the session and sr. Philoresmi evaluated both group and render the final conclusion. The session conclude by vote of thanks by Miss. Aerin Menachery.
