### INTRODUCTION

Faculty are directly responsible for the delivery of education and support services to students & foster educational excellence. The IQAC aims to assess the quality of the education & support services delivered by the Jubilee Mission College of Nursing & set quality benchmarks. The tool used for collecting faculty feedback covers all the aspects including academic & administrative performance, societal commitment, intellectual stimulation, student performance, Research culture & Updation of teacher profile. To attain this aim, feedback has been collected through online mode (google form) from 27 faculty members of JMCON for the academic year 2021-2022. The detailed analysis report is depicted below in tabular & graphical form.

### INTRODUCTION

Quality is the keystone for maintaining standards in education. The IQAC aims to assess the quality of the education delivered by the Jubilee Mission College of Nursing. The tool used for collecting student feedback covers all the aspects including campus facilities, professional & personal development rendered for students. Both micro & macro environment in the education delivery system has significant role in molding a successful citizen & professional. To attain this aim, feedback has been collected through online mode (google form) from 199 students for the academic year 2021-2022. The detailed analysis report is depicted below in tabular & graphical form.
