Jubilee Anthem

*J*ubilee, our heart resounds,
With flame of pride, we sing
A drop of love and caring bliss,
It fairly gives the rest.

*Through the path of true love,
Through the path of service,
Nightingale once lit a lamp.
Through the path of true love,
Through the path of service,
We are here spreading its glory.
Service with love, that's our motto
Caring with mercy, that's our duty.
Wiping the tears, that's our bliss
Towards the Lord, that's our journey, (Throgh)*

*Not for the fame, not for the wealth,
But for the care, we promised Thee.
With the tone of love in our words and deeds,
With the rays of hope to raise the ill,
Thus to be a jubilate. (3)*

HISTORY OF HOSPITAL (JMMC & RI) & JUBILEE MISSION COLLEGE OF NURSING

Seventy years have now rolled on, since the institution came into being in 1952. It was a time when the medical facilities were practically out of reach for most people in Central Kerala. Impelled by the abiding spirit of the healing ministry of Jesus Christ and the awareness of the crying need of the sick and suffering, the Archdiocese of Trichur decided to take up the challenge. Thus, the organisation had a humble beginning on 17th December 1951, as a small dispensary. It began as a befitting memorial of the Sacerdotal Silver Jubilee of the late Bishop of Trichur Rt. Rev. Dr. George Alapatt, the first patron of the hospital. In 1952, the hospital started its service with four rooms and 20 beds, two retired part time doctors and two nurses of the Holy Cross Congregation, Sr. Albertina and Sr. Alfrida. This was the first and the only private hospital in Thrissur during the period.

At the time of inception, the hospital functioned in one part of the old building of St. Mary's Minor Seminary, Thope, Thrissur. His Eminence Cardinal N. T. Gilroy of Australia blessed the very first hospital building on 30th December 1952 in the presence of Card. V. Gracias. H. E. Martin Lucas SVD, the then Apostolic Internuncio to India inaugurated the institution on 23rd April, 1953. On the same year Cardinal Tisserant blessed the first operation theatre. It is 60 years since then that Jubilee Mission Hospital is rendering health care to the sick, irrespective of caste or creed, rich or poor.

The hospital experienced steady growth due to the committed and dedicated service of the doctors, nurses and

Self confidence is the first requisite to great undertaking.

In the year 2003, Jubilee Mission Hospital was recognized as a teaching hospital by the MCI and opened the Medical College. The College of Nursing was also founded in the same year, 2003. In 2011, MCI permitted the medical college to start PG medical courses. At present twelve specialities run PG courses.
