VOLUME 1, ISSUE 3

QUALITY NURSING EDUCATION

to transform lives with love

March is a month of reflection and celebration, as we honor the spirit of International Women’s Day. It is a time to recognize the strength, resilience, and invaluable contributions of women across all walks of life—especially in the noble profession of nursing.

Nursing stands as a true embodiment of compassion, dedication, and service. Our students, the future pillars of healthcare, continue to uphold these values with commitment and excellence. As a nursing institution, we take pride in nurturing not only skilled professionals but also empowered individuals who lead with empathy and integrity.

On this occasion, I extend my heartfelt appreciation to all our students, faculty, and staff who strive tirelessly to make a difference in patient care and community health. Let us continue to inspire, support, and uplift one another, fostering an environment where every woman can achieve her fullest potential.

May this month remind us of the power of care, courage, and unity that defines both womanhood and the nursing profession.

Achievements

HPV Vaccination Campaign and Awareness Program

An HPV vaccination campaign and awareness program was conducted at the Taluk Hospital on 07/03/2026 by the students of JMCON, Ottupara. The program aimed to educate the public about Human Papillomavirus (HPV), its transmission, associated health risks, and the importance of vaccination in preventing cervical cancer.

The students actively engaged with patients and visitors, providing informative sessions, distributing educational materials, and addressing common doubts regarding the vaccine. The campaign also emphasized the importance of early prevention, regular screening, and maintaining personal health.

The initiative was well-received by the community and contributed to improving awareness and encouraging vaccination among eligible individuals.

Faculty Development Programme on Catering Student Diversity

A workshop on “Catering Student Diversity” was successfully conducted on 09th March 2026 at the Conference Hall, JMCON at 3:30 PM.

The programme was organized by the Internal Quality Assurance Cell (IQAC) in collaboration with the Department of Child Health Nursing and the Department of Medical Surgical Nursing. The session focused on addressing the diverse learning needs of students and promoting inclusive teaching strategies.

The resource persons, Mrs. Anila James and Sr. Sumy Paul, delivered insightful sessions, highlighting practical approaches to manage classroom diversity effectively.

The workshop witnessed active participation from faculty members and was highly informative and enriching.

Seminar Series on Teaching Methodology

A seminar series on Teaching Methodology in Nursing was organized at the Conference Hall, JMCON, on 16/03/2026 and 23/03/2026 from 3:30 pm to 4:30 pm. The sessions were conducted with the aim of enhancing teaching skills and improving educational strategies among nursing students.

The resource persons for the program were Sr. Godwin, Associate Professor, Department of OBG Nursing, and Ms. Jaicy John, Assistant Professor, Department of Child Health Nursing. They shared valuable insights on effective teaching methods, innovative approaches in nursing education, and strategies to enhance student learning and engagement.

Observational Visit to Government College of Nursing

An observational visit to GCON, Thrissur was organized by the Department of Nursing Education on 17/03/2026 for 1st Year M.Sc Nursing students and 5th Semester B.Sc Nursing students. The visit aimed to provide students with practical exposure to academic and clinical teaching environments.

Surprise Inspection from Kerala University of Health Sciences

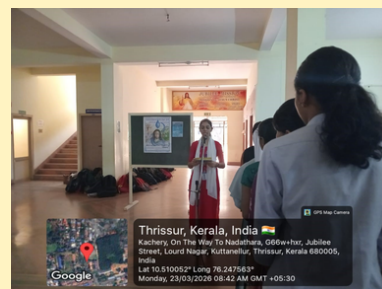

A surprise university visit conducted on 19/03/2026 by Mr. Thomas Varghese, Professor cum HOD, Little Flower College of Nursing, Angamaly, and Mrs. P. Parameswari, Professor, PIMS College of Nursing, Walayar, Palakkad—marking a moment of pride, evaluation, and academic encouragement.

World Water Day Celebration at JMCON

World Water Day was observed with great enthusiasm on 23rd March 2026 at the Assembly Hall of JMCON at 8:30 AM. The program was organized by the Nursing Foundation Department, SSGP, and the 1st semester BSc Nursing students. The event highlighted the importance of water conservation and sustainable management of this vital resource.

The celebration featured the unveiling of the World Water Day theme, followed by the administration of the Water Day pledge, encouraging students and staff to actively participate in preserving water for future generations. The program served as an educational and motivational platform, reinforcing the responsibility of healthcare professionals towards environmental sustainability.

E-Poster Competition on World Tuberculosis Day

On the occasion of World Tuberculosis Day, observed on 24th March 2026, an E-Poster Competition was organized to raise awareness about tuberculosis and its prevention. The event witnessed enthusiastic participation from students, who showcased their creativity and knowledge through impactful and informative posters.

The competition highlighted key messages on early detection, treatment adherence, and the importance of eliminating tuberculosis as a public health threat. The prize-winning posters stood out for their clarity, creativity, and strong advocacy for TB awareness.

Training session on Moodle

A two-day training programme on Moodle was conducted on 27th and 28th March 2026. The session aimed to enhance the digital teaching and learning skills of participants by familiarizing them with the features and effective use of the platform.

The programme was led by Mrs. Sheeja Sebastian, Mrs. Justy Joy, and Mrs. Jaicy John, who provided valuable insights and hands-on training. Participants actively engaged in the sessions and gained practical knowledge on using Moodle for academic purposes.
