

IQAC PARENT FEEDBACK- 2024-25

INTRODUCTION:

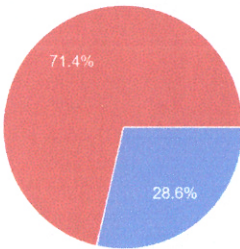

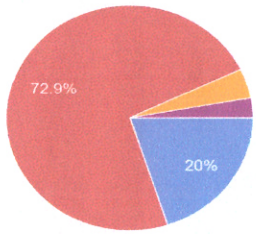

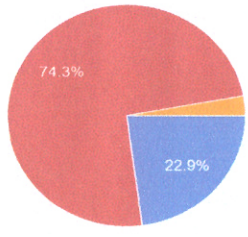

Parent feedback is an essential component of institutional development. It offers meaningful perspectives, opinions, and recommendations that contribute significantly to the continuous improvement of our institution. Through this, we are able to strengthen engagement with families and gain a deeper understanding of concerns related to the students. This feedback serves as a valuable tool in enhancing the quality of our services.

IQAC STUDENT FEEDBACK- 2024-25

INTRODUCTION:

Ensuring quality in higher education is essential for achieving academic excellence and continuous improvement. The Internal Quality Assurance Cell (IQAC) of Jubilee Mission College of Nursing is committed to evaluating and enhancing the quality of educational services provided to students.

Student feedback serves as an important mechanism to assess various dimensions of the institutional environment, including academic delivery, campus infrastructure, learning resources, and opportunities for professional and personal growth. To fulfill this objective, structured student feedback was collected through an online platform for the academic year 2024–2025.

The responses obtained were systematically analyzed to identify strengths and areas for improvement. The consolidated findings of the student feedback are presented in the following report.

IQAC FACULTY FEEDBACK- 2024-25

INTRODUCTION:

Faculty are directly responsible for the delivery of education and support services to students and foster educational excellence. The IQAC aims to assess the quality of the education and support services delivered by the Jubilee Mission College of Nursing and set quality bench marks. The tool used for collecting faculty feedback covers all the aspects including academic and administrative performance, societal commitment, intellectual stimulation, student performance, Research culture and updating of teacher profile. To attain this aim, feedback has been collected through google online, mode from 26 faculty members of JMCON for the academic year 2024-25. The detailed analysis report is depicted below
