Principal's Message

Dear Students, Faculty, and Well-Wishers,

August has been a month of learning, celebration, compassion, and meaningful engagement at Jubilee Mission College of Nursing. As we move through this vibrant month, I am delighted to see our institution continuing to nurture not only academic excellence but also the personal, professional, and social development of our students.

August also brings the spirit of Independence and Onam, reminding us of freedom, unity, gratitude, togetherness, and hope. Let us celebrate these occasions by strengthening the bonds that unite our Jubilee family and by carrying the values of service and compassion into our communities.

In the same spirit, the college retreat provided a precious opportunity for prayer, reflection, renewal, and reconnecting with our inner selves. In the midst of our busy academic and professional lives, such moments of stillness help us rediscover our purpose and strengthen our commitment to service.

I encourage every member of the Jubilee family to continue embracing every opportunity to learn, reflect, serve, and grow. May our students become not only competent healthcare professionals but also compassionate human beings who bring hope, dignity, and healing to those entrusted to their care.

May August leave us with renewed faith, strengthened relationships, deeper purpose, and the courage to move forward with hope and excellence.

With prayers and best wishes,

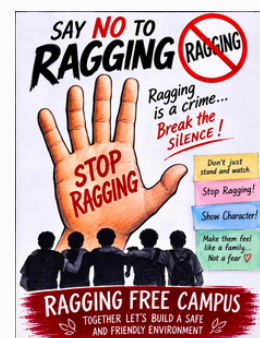

Dr. Sr. Judy SIC
Principal
